### Mission Statement

The Primary objective of the Mallard Creek Optimist Club sponsored athletic programs is to provide a safe, quality, positive environment for kids to play baseball, softball and basketball. MCOC sponsors recreational league programs with an open registration policy with levels of participation based primarily on age rather than playing ability. Toward that end we strive to create balanced teams by forming new teams each season to provide everyone with a fair opportunity to compete and succeed. We have an "everyone plays" philosophy, striving to provide a positive environment in which our coaches teach, support, and encourage kids to develop sound fundamental skills, a solid understanding of the game, and strong sense of sportsmanship, mutual respect and fair play, rather than a win at all costs attitude.

### Coaches Pledge

As an MCOC coach I agree to strive to adhere to the standards of conduct outlined in the Mission Statement of the MCOC sponsored athletic programs. As such I agree to strive to set and example for the kids I coach both by my words and by my behavior.

I will abide by all rules that may apply to the sport I am coaching including those of any applicable National organization and any and all modifications of those rules specific to the MCOC athletic programs. (Note: The modified rules used by MCOC are posted on the MCOC Web site, [www.mallardcreekooptimistclub.com](http://www.mallardcreekooptimistclub.com). It is **required** that all coaches read and familiarize themselves with these rules and it is **strongly recommended** that each head coach print and keep a copy of the rules in his or her possession at the field during each and every game throughout the season to enable easy reference in the event of any uncertainties that may arise.) I agree to resolve any and all disputes relating to rule interpretations (or otherwise) in a gentlemanly fashion with the opposing coach and or umpires as may be applicable and to address any matters which may require future resolution with my level commissioner to avoid a recurrence of future issues of a similar nature. I agree to treat all persons involved in the program including children, opposing coaches, parents, and umpire with dignity and respect and address any disputes or concerns in a responsible and dignified manner.

I agree to strive to foster a competitive spirit in which sportsmanship mutual respect and fair play remain an integral part of the overall sporting experience. I understand and agree that in the event of any violation or serious breach of the code of conduct outlined herein will result in disciplinary action as is outlined in the Discipline procedure for MCOC sports posted on the MCOC web site.
