

Mallard Creek Little League Boundary (Softball Only)

Players must live or attend a school within the Mallard Creek Little League boundary to participate in the league.

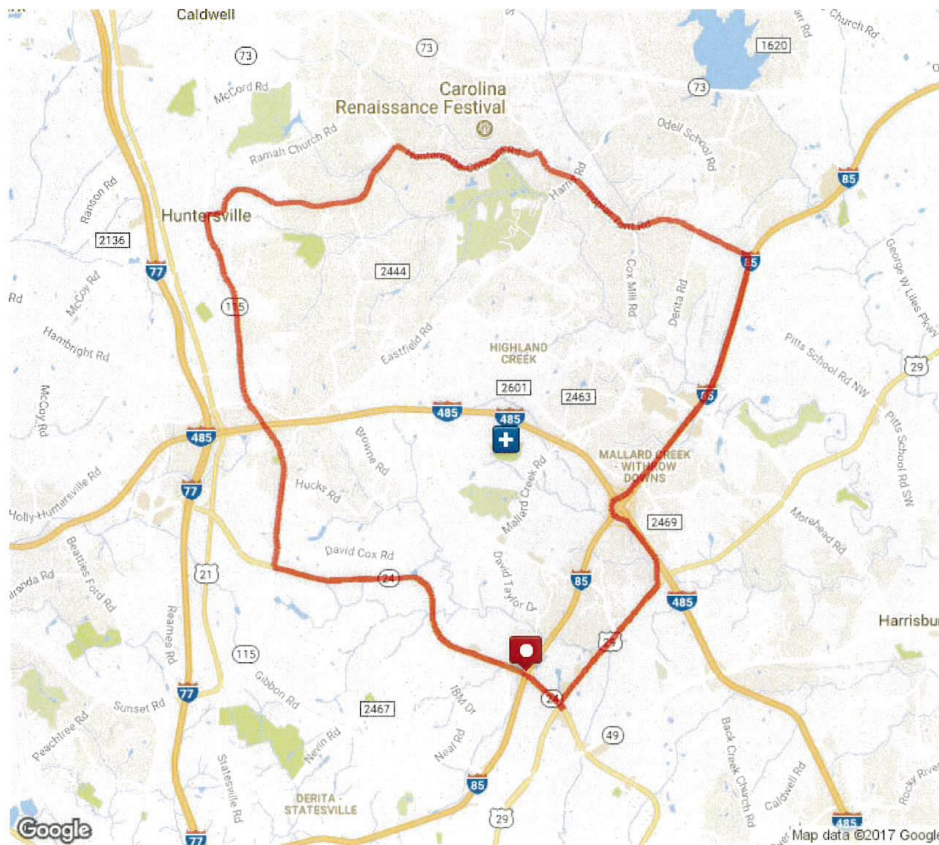

- A. His/her parents are living together and are residing within such league boundaries
- B. Either of the player's parents (or his/her court-appointed legal guardian) reside within such boundaries
- C. The physical location of the school where they attend classes is within the boundaries

Players outside of the boundary that have been grandfathered in based on play during the Fall 2017 season are also eligible as long as they play with MCLL every season (eligibility is otherwise lost). Siblings of grandfathered players are also eligible for MCLL.

The League Finder tool is at <https://www.littleleague.org/play-little-league/league-finder/>

(Note: At this time, it has not been updated to show the boundary changes for Lake Norman for the addition of Mallard Creek LL)

If you have questions regarding the criteria above or if you are outside the Mallard Creek LL boundary and do not have a LL softball program available to you, please contact Dennis Schlicher at mcocsoftball@gmail.com.
